Introducing **\$KATZ** token,  
designed specifically for our katz community.

The **\$KATZ** token not only offers a unique gaming  
experience but potentially creates a new dynamic  
in our NFT collections market.

Community can earn **\$KATZ** token by burning a  
Katmonstarz or Katwalkers NFT, encouraging  
activity and interaction within our community.

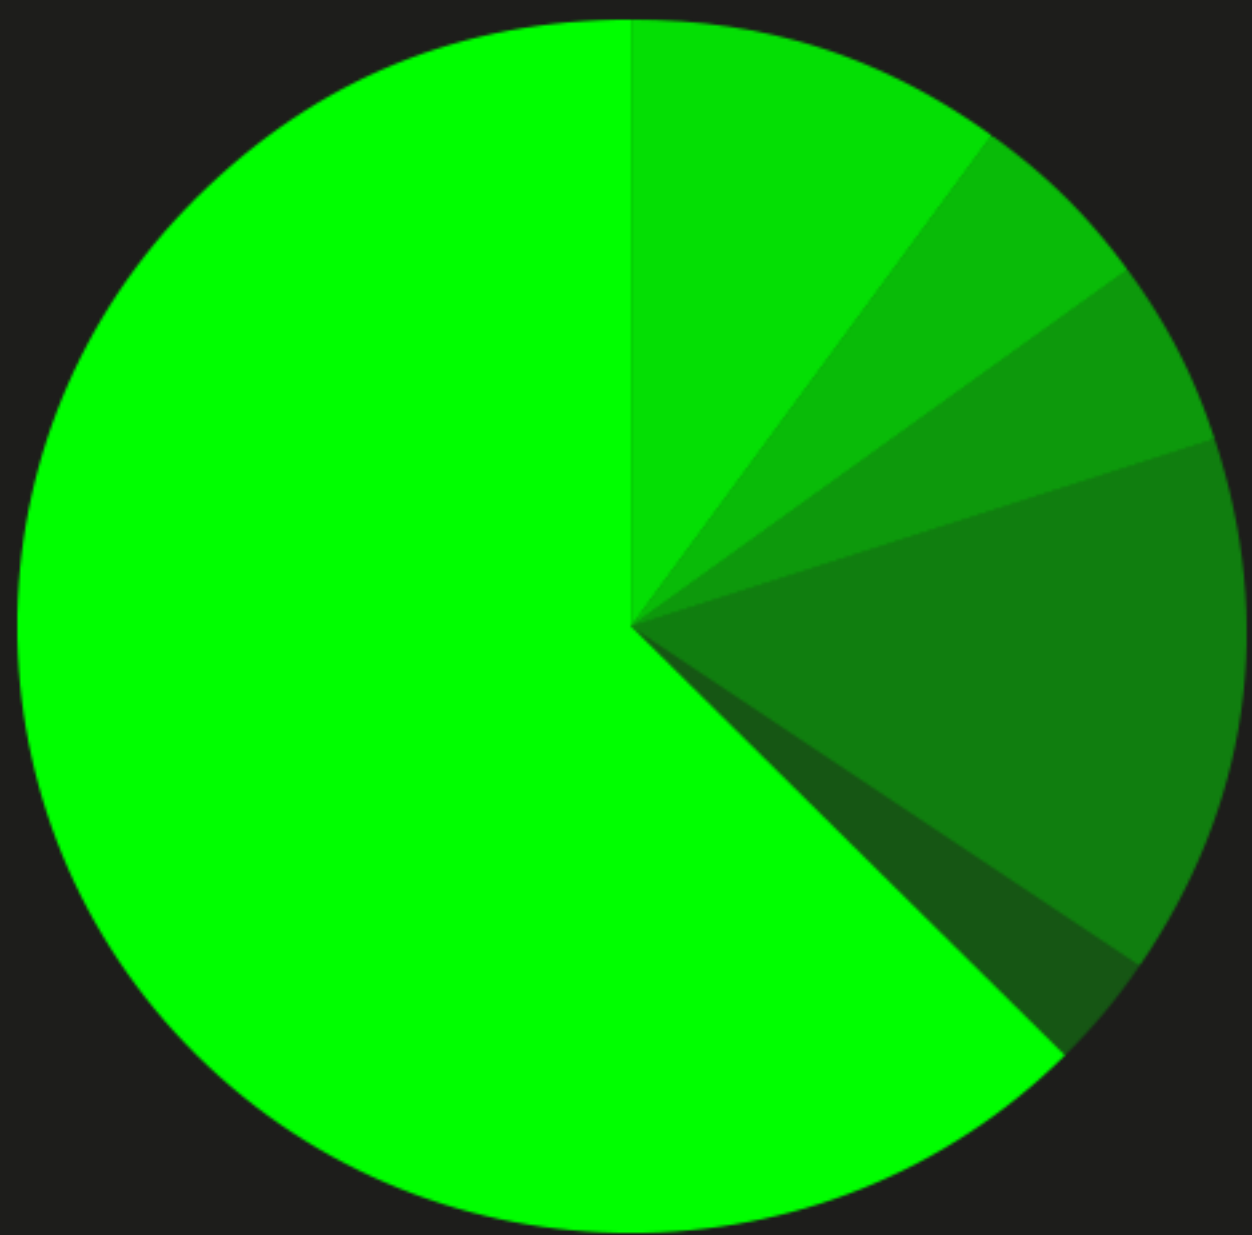

**\$KATZ** will be the primary means to participate in  
our new casino, upcoming whitelists and limited  
edition phygital drops, starting with an **AR Patch**.

To cater to our community's love for gaming, we are launching a brand-new casino.

4 games will be available, offering a unique blend of entertainment and degen opportunities:

**Crash, Plinko, Dice, Digital**

Access to the casino will be exclusive to **\$KATZ** token holders.

This encourages both the utilization and demand for our **\$KATZ** tokens.
